

Associate

[Apply Now](#)

Company: Manpower

Location: Vietnam

Category: other-general

Responsibilities

- Conduct detailed financial analysis and modeling to evaluate business performance and transaction implications.
- Prepare pitch books, memoranda, and other client presentations to communicate strategic recommendations and deal valuations.
- Perform market research and competitor analysis to identify trends and opportunities within the industry.
- Coordinate with cross-functional teams to manage the due diligence process and ensure seamless execution of transactions.
- Engage in client interactions, including meetings and presentations, to build relationships and understand their strategic goals.
- Assist in the marketing and execution of M&A, equity, and financing transactions across various sectors.
- Manage project timelines and deliverables, ensuring high-quality output and adherence to

deadlines.

Qualifications:

- MBA or equivalent graduate degree from a top-tier institution.
- 2-3 years of experience in investment banking, corporate finance, or a related field.
- Strong quantitative and analytical skills, with proficiency in financial modeling and valuation.
- Excellent verbal and written communication abilities.
- Ability to work effectively in a team environment and manage multiple projects simultaneously.
- High level of professionalism and attention to detail.
- Proficiency in Microsoft Office Suite, particularly Excel and PowerPoint.
