Company: Lollypop Design

Location: Vietnam

Category: other-general

Job Introduction

You are required to conceptualize and craft designs and animations for the marketing team to help them in their efforts. You would be required to collaborate with the internal creative and management team.

Your Mission

Design, create, and manage illustrations and animations for all the digital channels.

Have strong aesthetics and the ability to oversee design.

Proactively recommend creative communications from the initial design concept to sampling.

Collaborate and work alongside the creative team.

Maintain a quality check on all pieces.

Superpowers you will need

1 – 3 Years of experience.

Expert in video creation using After Effects. Excellent in illustration.

Expert knowledge of computer-aided design software, including but not limited to Mac, Adobe Creative Suite, InDesign, Photoshop, Motion graphics, and other relevant packages.

Expert knowledge in the graphics production process.

Possess strong conceptual skills, a high-level sense of design, layout, and typography, and a broad thinker who is able to offer a variety of design solutions.

Ability to learn and multi-task using other editing software like Premiere Pro, Audition, etc. if necessary.

Excellent in interpersonal and communication skills.

Work well with tight deadlines in a team environment.

Knowledge of creating explainer videos and character animation is a big plus. 3D knowledge is not mandatory but is a big plus.
