Our Regional Management Trainee (RMT) Program provides an accelerated journey for graduates to develop to their fullest potential and become our business leaders in the near future.

We are the Omnichannel-Fulfilment arm of the world's largest integrated container logistics company working to connect and simplify our customers' supply chains. As the logistics partner of choice for major local and multinational companies, we offer a suite of integrated logistics and supply chain management services in the Lifestyle, Fast Moving Consumer Goods, Retail, and Technology sectors. Through our comprehensive distribution network in Asia, we collaborate closely with over 400 brand owners and retailers to provide tailor-made warehousing and transport management solutions. Our Omnichannel-Fulfilment business connects origins and destinations with flexibility, timeliness and responsiveness. Today, with the increasing importance of e-commerce and cross border trades, we provide a total omnichannel-fulfilment solution and operate major regional hubs and consolidation centres to optimise inventory flow and ensure quick response.

We are committed to put our customers' needs first. Global Markets are evolving fast, and we aim to connect, protect, and simplify our customers' supply chain in response to these changes. We are on an exciting journey to transform the flow of goods, data and materials that sustain people, businesses and economies the world over – driving our vision as a true global integrator.

The journey:

Nurturing future leaders is pivotal to our success. Our Regional Management Trainee (RMT)

Program provides an accelerated journey for graduates to develop to their fullest potential and become our business leaders in the near future.

As a RMT, you will be participating in an intensive 18-month program where you will be exposed to new business environments. We'll give you real professional experience and the chance to apply your knowledge to real business challenges through job rotations, blended learning activities, management mentoring, corporate training and special projects. You'll also get guidance and coaching from an experienced mentor. There will also be many opportunities to connect with new faces, including senior leaders, RMT alumni and fellow trainees.

Successful graduates of the RMT program will be offered a landing role in the company beginning their journey to becoming Managers or Senior Managers within 2 to 5 years.

Functions that you will be exposed to:

Operations – we are operations centric and thrive on delivering results. You get hands-on exposure on the warehouse floor understanding how we design solutions, implement and execute them for our global retail clients. Get behind the scenes during major online campaigns like 11.11. We guarantee a roller coaster ride.

Who are we looking for?

Bachelor's or master's degree (any discipline) with a good GPA

Fresh graduates or have a maximum of 2-years working experience

Strong analytical and problem solving skills, drive to succeed, and proactive

Passionate about the Supply Chain industry

Good spoken and written English

Want to be part of our exciting growth journey? Join us as a Management Trainee! You'll play a vital part in our success, developing, designing, and implementing innovative supply chain solutions, which bring visibility, reliability and accountability to our customer's supply chains.
