Company: Amaris Consulting

Location: Vietnam

Category: business-and-financial-operations

Job description

We are seeking a dynamic and experienced SAP Success Factors Consultant to join our team at Amaris Consulting. This is an opportunity for individuals with a minimum 2 years of experience having the following requirements:

Experience working with specific Modules: Performance, Onboarding, Recruiting, Employee-Central.

Demonstrated ability to configure and customize these modules according to client needs.

Adept at identifying issues and implementing effective solutions within the SAP SF environment.

Proven track record of successful project delivery within given timelines and budgets.

Possesses strong analytical skills with the ability to understand business processes and translate them into system requirements.

Excellent communication skills in English; both written and verbal are required as you will be liaising directly with clients regularly.

This role offers a unique chance to work on challenging projects while developing your expertise in SAP Success Factors. We encourage those who have the right mix of

experience, drive, and passion for technology consulting to apply!

About You

The ideal candidate is someone who thrives in fast-paced environments and enjoys problem-solving tasks related to IT systems configuration, especially within the realm of SAP Success Factors. Your excellent communication skills coupled with your technical knowledge make you stand out from others.

You have a minimum of 2 years of experience working as an SAP consultant or in similar roles where you've gained hands-on exposure dealing with Performance, Onboarding, Recruiting & Employee-Central modules.

Your fluency in English allows you not only to comprehend complex technical information but also to communicate it effectively across various stakeholders.

You possess a deep understanding of configuring different modules based on the client's requirement which makes you an asset to our team.

Your analytical skills are top-notch and you have a knack for translating business processes into system requirements.

You're known for your ability to deliver projects within the stipulated timelines and budgets, ensuring client satisfaction at all times.

If this sounds like you, we would love to hear from you! This is your chance to join a dynamic team of professionals who are passionate about what they do.

Amaris Consulting is proud to be an equal-opportunity workplace. We are committed to promoting diversity within the workforce and creating an inclusive working environment.

For this purpose, we welcome applications from all qualified candidates regardless of gender, sexual orientation, race, ethnicity, beliefs, age, marital status, disability, or other characteristics.
