

VP Investment Banking

[Apply Now](#)

Company: Manpower

Location: Vietnam

Category: business-and-financial-operations

Responsibilities

- **Lead deal execution:** Oversee the successful execution of M&A, equity, and debt transactions, ensuring all aspects of the deal are managed effectively.
- **Client management:** Serve as a key point of contact for clients, providing strategic advice and maintaining strong professional relationships.
- **Team leadership:** Manage and mentor a team of associates and analysts, delegating tasks and ensuring high-quality deliverables.
- **Financial analysis:** Review and approve financial models and valuations prepared by the team, ensuring accuracy and relevance.
- **Business development:** Assist in identifying and pursuing new business opportunities, contributing to the growth of the firm.
- **Market research:** Stay abreast of market trends and industry developments to inform strategic decision-making.
- **Risk management:** Evaluate potential risks associated with transactions and advise clients

accordingly.

Qualifications:

- Education: Bachelor's degree in Finance, Economics, or related field; MBA or equivalent graduate degree preferred.
- Experience: Minimum of 5-7 years of experience in investment banking or related financial services.
- Skills: Strong leadership and team management abilities, excellent communication and interpersonal skills, and advanced knowledge of financial modeling and analysis.
