Who We Are

We're the World's largest tool company. We're industry visionaries. We're solving problems and advancing the manufacturing trade through innovative technology and our Industry 4.0 Initiative. We are committed to ensuring our state-of-the-art "smart factory" products and services provide greater quality to our customers & greater environmental and social value to our planet. We are unique in that we have a rich and storied history dating back to 1843, but that hasn't stopped us from evolving into a vibrant, diverse, global growth company.

Global Benefits & Perks

You'll be rewarded with a competitive salary plus receive entitlements and benefits unique to your country of hire.

What You'll Also Get

Career Opportunity: Career paths aren't linear here. Being part of our global company

with 60+ brands gives you the chance to grow and develop your skills along multiple career paths.

Learning & Development:

Our lifelong learning philosophy means you'll have access to a wealth of state-of-the-art learning resources, including our Lean Academy and online university (where you can get certificates and specializations from renowned colleges and universities).

Diverse & Inclusive Culture:

We pride ourselves on being an awesome place to work. We respect and embrace differences because that's how the best work gets done. You'll find we like to have fun here, too.

Purpose-Driven Company:

You'll help us continue to make positive changes in the local communities where we work and live as well as in the broader world through volunteerism, giving back and sustainable business practices.
